

# Mobile Deposit

**Mobile Deposit** is a service that allows you to deposit checks into your bank account using your smartphone or tablet. Instead of going to the bank or ATM, you can take a photo of the front and back of your check and submit it through your bank's mobile app.

\*Save time and money by depositing checks at your convenience, even outside of business hours.

\*Provides faster access to funds by directly depositing the check into your account through our secure mobile-deposit software.

\*To process a mobile deposit, you must be registered for online banking.

\*The first step is to endorse the back of the check, then enter the amount, take a picture of the front and back of the check (one check at a time), and submit. Review by the bank may have to be made before the deposit is accepted.
